The Shoe Man

Stabbed in Street Fight.

As the result of a difficulty which occurred on Main street in front of the store of Samuel Atlas, Saturday afternoon, Fred Beagle, of Leesburg, Harrison county, was stabbed and wounded by Carl Lantern, of the same place.

Circumstances which led up to the trouble could not be ascertained. They were seen a short time before, both in an apparently good humor, although they were under the influence of liquor.

Five witnesses to the affair state that as they were walking along the street engaged in a conversation, Beagle is alleged to have struck Lantern.

The latter then drew his knife and the men clinched, while Lantern used the blade with telling effect upon his antagonist. Five wounds were inflicted upon the left shoulder and side of Beagle, but none of them are of a serious nature.

Beagle was taken to the office of Dr. W. C. Ussery, who dressed his wounds, and he was taken to his home in Leesburg. Lantern was taken into custody at the corner of High and Seventh streets by Patrolman G. N. McKenney and lodged in jail. Sunday morning he was released upon \$350 bond for his appearance at the examining trial, which will be held in police court this morning at 10 o'clock.

A Fine Bluegrass Farm.

Local Option Petition Filed.

A petition calling for a local option election in Montgomery county has just been filed in the county court by Judge Ed C. O'Rear, attorney for the "drys." The petition covers all fifteen precincts and contains 1,034 names of legal voters out of a possible 2,776, or about thirty-five per cent. The petition will be acted upon by County Judge McCormick at the August term of court, which convenes the third Monday in the month. The petition asks for an election to be held on Monday, September 30.

PARIS PROOF.

Should Convince Every Paris Reader.

The frank statement of a neighbor, telling the merits of a remedy, bids you pause and believe. The same endorsement by some stranger far away commands no belief at all. Here's a Paris case. A Paris citizen testifies, Read and be convinced.
Mrs. C. M. Taylor, Eighth and West Sts., Paris, Ky., says: "Doan's Kidney Pills have done us a great deal of good and we recommend them strongly. One of my children suffered for a long time from kidney disease and had but little control over the kidney secretions. We tried everything but without success until Doan's Kidney Pills were given a trial. They did immediate good and before long they effected a permanent cure."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

AN EASY ONE.

Al De Mustahd—Your wife's costume tonight is charming. It simply beggars description. Justin De Bunch—And that reminds me of a conundrum—why am I like description?

Almost Lost His Life.

S. A. Stud, of Mason, Mich., will never forget his terrible exposure to a merciless storm. "It gave me a dreadful cold," he writes, "that caused severe pains in my chest, so that it was hard for me to breathe. A neighbor gave me several doses of Dr. King's New Discovery which brought great relief. The doctor said I was on the verge of pneumonia, but to continue with the Discovery. I did so and two bottles completely cured me." Use only this quick, safe, reliable medicine for coughs, colds or any throat or lung trouble. Price 50c and \$1.00. Trial bottle free. Guaranteed by Oberdorfer.

Still Believe in Witches.

There is a certain walnut tree near Benevento, in Italy, around which the witches are said to gather on certain nights; and many a peasant of the Campagna believes that the witches assemble on midsummer nights amid the ruins of the Roman Forum, where they turn themselves into huge black cats. As one proceeds east the superstitions of the ignorant thicken and multiply. India is full of supernatural traditions and fantasies.

Mr. W. S. Gunsalus, a farmer living near Fleming, Pa., says he has used Chamberlain's Colic, Cholera and Diarrhoea Remedy in his family for fifteen years and that he has found it to be an excellent remedy, and takes pleasure in recommending it. For sale by all dealers.

\$100 Reward \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Sold by all druggists, 75c.
Take Hall's Family Pills for constipation.

Rather Neat Rejoinder.

A Frenchman, dining at the duke of Richmond's, bored the company by boasting that his country was first in everything, and supreme in fashions. Ruffles were then in vogue, and monsieur claimed that France deserved the credit for introducing them. "That is true," said George Selwyn, "but England improved them greatly by adding a shirt to them."

He Won't Limp Now.

No more limping for Tom Moore, of Cochran, Ga. "I had a bad sore on my instep that nothing seemed to help till I used 'Bucklen's Arnica Salve,'" he writes, "but this wonderful healer soon cured me." Heals old running sores, ulcers, boils, burns, cuts, bruises, eczema or piles. Try it. Only 25c at Oberdorfer's.

The Most Original Authors.

The most original modern authors are not so because they advance what is new, but simply because they know how to put what they have to say as if it had never been said before.—Goethe.

One of the most common ailments that hard working people are afflicted with is lame back. Apply Chamberlain's Liniment twice a day and massage the parts thoroughly at each application, and you will get relief. For sale by all dealers.

Height of Selfishness.

Some men are so selfish that if they were living in a haunted house they wouldn't be willing to give up the ghost.—Florida Times Union.

A vast amount of ill health is due to impaired indigestion. When the stomach fails to perform its functions properly the whole system becomes deranged. A few doses of Chamberlain's Tablets is all you need. They will strengthen your digestion, invigorate your liver, and regulate your bowels, entirely doing away with that miserable feeling due to faulty digestion. Try it. Many others have been permanently cured—why not you? For sale by all dealers.

Nut-Picking Aid.

Place pecans in a pan, and pour boiling water over them; let them stay for a while, then crack. The meats can be easily removed from the shells.

"Were all medicines as meritorious as Chamberlain's Colic, Cholera and Diarrhoea Remedy the world would be much better off and the percentage of suffering greatly decreased," writes Lindsay Scott, of Temple, Ind. For sale by all dealers.

Why Is This?

When a woman misses a street car she laughs. When a man does the same thing he scowls. Why is this? Are women gamblers losers than men?

FAIR IS UNDER TWENTY HEADS

Kentucky's Big Show Is Divided Into Departments Under Efficient Chiefs

THE ORGANIZATION IS IDEAL

Member of Board of Agriculture to be in Charge of Each Branch of Work Assisted by Competent Superintendent.

Twenty departments have been arranged for at the Kentucky State Fair this year and each department will be presided over by a member of the State Board of Agriculture, and in addition to the various departments having the personal supervision of a member of the board each has been provided with a competent superintendent, thus insuring to exhibitors and visitors alike careful attention. The following is the manner in which the departments have been arranged and the member of the board and the superintendent in charge of each: Horses, Commissioner J. W. Newman, member in charge, R. H. Lillard, Lawrenceburg, superintendent; Mules and Jack Stock, James M. Terry, Cynthiana, member, Guthrie M. Wilson, Bardonia, superintendent; Beef Cattle, R. J. Bassett, Leitchfield, member, W. R. Moorman, Jr., Glendale, superintendent; Dairy Cattle, M. A. Scovell, Lexington, member, E. A. Farra, Nicholasville, superintendent; Swine, J. L. Letterie, Harbids Creek, member, L. C. Owings, Jeffersonton, superintendent; Sheep and Goats, H. M. Froman, Ghent, member, W. T. Chilton, Campbellsburg, superintendent; Poultry and Pigeons, J. W. Newman, member, J. L. Gribble, Louisville, superintendent; Vegetables and Melons, J. L. Letterie, member, Charles Scholtz, Jr., Louisville, superintendent; Field Seed and Grain, G. N. McGrew, Bayou, member, H. C. Lovelace, Boston, superintendent; Tobacco, James M. Terry, member, Judge Frank P. Sebree, Carrollton, superintendent; Horticulture, Fred R. Blackburn, Stanton, member, W. H. Clayton, Hebron, superintendent; Woman's Department, G. N. McGrew, member, Mrs. H. S. Vansant, Frankfort, superintendent; Farming Implements, R. J. Bassett, Leitchfield, member, F. M. McKee, Versailles, superintendent; Forestry and Minerals, Fred R. Blackburn, member, George S. Lee, Carrollton, superintendent; Students Judging Contest, J. W. Newman, member, Prof. J. J. Hooper, Lexington, superintendent; Education, H. M. Froman, Ghent, member, Mrs. John L. Woodbury, Louisville, superintendent; Dairy Products, Fred R. Blackburn, member, Prof. J. J. Hooper, Lexington, superintendent. For the department for plants and flowers C. R. Van Meter, of Lebanon, will be the member in charge and he will also be in charge of the racing department, while in the dog department Prof. M. A. Scovell will be the member having direct supervision.

Already the members in charge of the various departments as well as the superintendents have gone to work to assist Secretary Dent and Assistant Secretary L. B. Shropshire in arranging for the exhibits in their departments and from now until the gates are thrown open to the public the morning of Monday, September 9, these officials will be kept busy completing the details for the big show.

BENCH SHOW A FEATURE

Of Kentucky State Fair—Will Probably Be Greatest Dog Display Ever Seen in State.

Perhaps the biggest and best dog show ever seen in Kentucky, will be witnessed at the Kentucky State Fair the week of September 9-14. Heretofore the dog show feature of the State Fair has been confined exclusively to collies, but this year the management has decided to have a bench show for all breeds of dogs, and to that end dog fanciers throughout the state have been invited to participate in the show. Since the invitations were first issued by the management through the press several weeks ago many of the fanciers in every section of the state have joined the movement to make this feature of the fair a success. It is doubtful if there is a breed of dog known to this section of the country that is not bred and raised in Kentucky, and it is the purpose of the officials of the fair to have every breed represented. For several years the breeders of dogs, other than collies, have endeavored to interest the management of the State Fair in a bench show that would include all breeds. The bench show will be under the personal supervision of a man who is well versed in the breeding of dogs, and valuable prizes will shortly be named, to be distributed to the winners in the various classes.

The show will be held under the rules of the American Kennel Club. A bench show with the approval of the American Kennel Club will more than likely attract high-class dogs from New York, Chicago and all parts of the country.

Just to Better Satisfy Our Customers.

We have now added to our already complete equipment the latest invention in a collar finishing machine! On this machine, the operator places a collar over a circular steel band, as shown in the picture above, which fits into a steam heated groove, and by pressing the collar firmly for a few seconds simply moulds it into perfect shape. It is the only machine on the market which spreads the collar so there is ample space for your tie to slip and which gives your linen a 50 per cent. longer life because it eliminates all friction and absolutely does away with cracking and rough edges.

To demonstrate the fact that this machine will not tear or wear your linen, an ordinary collar was subjected to 25,000 consecutive pressings and showed no signs of wear.

We will be delighted to have you call and see the machine in operation, also many other improved devices which we have added in our endeavor to set the Blue Grass standard for quality Laundry Work.

Paris Blanks Colts.

Paris scored a victory over the Colts yesterday afternoon at White Park, winning by a score of 9 to 0. Hauser went in to pitch for Paris, but when the locals sewed up the contest in the first two innings, he was relieved by Monroe, who finished the game.

The Bourbonites pounded two of the Lexington pitchers, compelling Embury to retire from the game in the fifth inning. Mack was substituted but the game had already been neatly tucked away.

Monroe pitched masterly ball during the seven innings he was on the mound, allowing but four scattered hits.

The Bourbonites took a good lead in the first inning, when four hits, three stolen bases and an error allowed four runs. Two hits, two stolen bases and a sacrifice, counted two more. In the fifth inning Guhl put the ball over the center field fence for a home run, and another was added in the seventh on a pass and a single.

During the game the visitors failed to get a man as far as third base. Two men reached second, two were forced at second and one at third.

The Bourbonites fielded well through out the game. Guhl covered considerable territory in left, having five put-outs to his credit.

Today the locals will go to Maysville, where they will meet the Rivermen in a double-header and will also play there tomorrow. Returning home Thursday they will meet Frankfort and go to the Capital City Friday.

Saturday the locals will be at home with the Lawmakers and play a double-header with Richmond Sunday.

FRIDAY.

Paris won easily from the Colts in the game here Friday, taking the contest by a score of 9 to 5. Popkin, an ex-Bourbonite, essayed to pitch for the visitors, but his offerings were driven to the four corners of the lot. Applegate, for Paris, held the Colts without a run for six innings, when he slackened his speed and only exerted himself in pinches. Practically all of the hits secured by the visitors came in the last three innings.

SATURDAY.

Paris journeyed to Lexington Saturday, and by the close score of 5 to 4, won from the Colts. The locals could not hit Turner very successfully, but their hits came at the time when they were most needed, which coupled with a few costly errors, made victory sure for Paris. Monroe was on the rubber for Paris, but was taken out in the eighth for Dunlap to bat for him, and Hauser finished the game. Locke starred with the bat, getting three hits out of five times at bat, a home run, a double and a single.

SUNDAY.

In a double header at White Park Sunday afternoon, Paris took both games from the Orphans, winning the first by a score of 6 to 5 and administered a complete shut-out to the visitors in the last game, which went seven innings, during which the Bourbonites scored three runs. The first game looked like an easy victory for Paris until the latter innings when the Orphans hit Dunlap freely and stacked up a number of runs. Only fast fielding saved the game, Chapman made a long running catch in the seventh inning with two on bases, doubling a man at second, retiring the side without a run. The locals took advantage of several errors in the opening stages and connected with Funk's slants at timely intervals. In the last contest Applegate held the visitors completely at his mercy and not until the final round did he allow a man to hit into safe territory. The locals hit Funk, who was also on the mound in the closing event, at times when their drives were most needed.

MATRIMONIAL.

A marriage license was issued yesterday to Mr. Edward Spears Pendleton, of Paris, and Miss Myrtle Cotes, of Berea, Ky.

Stock Market Exceedingly Active

Considerable activity was noted yesterday in the stock market, August court offerings being heavier than that of the past several months. There were about 1,200 sheep on the market, about half of which sold at prices ranging from \$40.00 to \$45.00 per head while upward of 400 head of cattle were offered, the majority of which changed hands.

The offerings of work stock were exceedingly light but there was little demand for this class at the present season and there were not more than twenty mules on the market, the majority of which went unsold.

At the pens of M. J. Murphy & Co. one thousand sheep were offered and more than half of that number changed hands at from \$4.00 to \$4.50 per head. Two hundred head of cattle were on the market at the Murphy pens, the majority of which found ready sales at \$6 to \$6.50 per hundred. Caywood & McClintock sold a bunch of sixty head to W. S. Jones, of North Middletown, for \$50.00 per head and thirty head each to Charlton Clay and Buchanan & Davis at the same price. They sold a bunch of thirty head of sheep to Lee Penn for \$5 per head. This firm also disposed of six head of mules to Chas. Thompson, of Lexington for the sum of \$630.

The crowd yesterday was exceedingly small owing to the extremely busy season, farmers being detained at home with tobacco and other crops and the splendid season now offered cannot be overlooked. However, business in all branches was brisk and merchants over the city report a lively trade.

Almost Lost His Life.

S. A. Stid, of Mason, Mich., will never forget his terrible exposure to a merciless storm. "It gave me a dreadful cold," he writes, "that caused severe pains in my chest, so that it was hard for me to breathe. A neighbor gave me several doses of Dr. King's New Discovery which brought great relief. The doctor said I was on the verge of pneumonia, but to continue with the Discovery. I did so and two bottles completely cured me." Use only this quick, safe, reliable medicine for coughs, colds or any throat or lung trouble. Price 50c and \$1.00. Trial bottle free. Guaranteed by Oberdorfer.

National Progressive Party Born.

The National Progressive party took its place in the arena of American politics yesterday when its first National convention assembled at the Coliseum, in Chicago, where the Republican National convention was held seven weeks ago.

Col. Theodore Roosevelt, sponsor for the party, arrived in Chicago yesterday morning but did not attend the first session of the convention; he will deliver his "confession of faith" today.

Former Senator Albert J. Beveridge, of Indiana, was elected temporary chairman of the convention, after Senator Dixon had called the assemblage to order and prayer had been offered.

Senator Beveridge was greeted with long cheers and delivered his keynote speech bristling with the most advanced ideas of progressivism.

The floor of the big convention hall was crowded and the galleries, slow to fill at first, held but comparatively few empty seats when the convention got under way shortly before 1 o'clock.

The delegates were most enthusiastic, frequently interrupting the proceedings with cheers and applause.

The Kentucky delegation elected the following:

Chairman of delegation, Brutus J. Clay.
Resolutions Committee, Henry Coe.
National Committeeman, Leslie Combs.

Vice Chairman, Eskridge, Fourth district.

Credentials Committee, Calloway, Third district.

Rules Committee, Philip, First district.

Committee to notify nominee for President, Krieger, First district.

Committee to notify nominee for Vice President, Shipley, Tenth district.

Jouett New Assistant Counsel.

Mr. E. S. Jouett, of Winchester, has been appointed Assistant General Counsel of the Louisville and Nashville Railroad to succeed Judge W. G. Deering, of Flemingsburg, who recently resigned. The appointment was made Friday by Col. H. S. Stoner, Chief Counsel of the railroad company.

Mr. Jouett will have charge of the interests of the railroad company in Eastern Kentucky, and may be required to locate in Louisville. The appointment becomes effective September 1. The position carries with it an annual salary of \$5,000 per year. Mr. Jouett, who is one of the best known lawyers in this section of the State, is the father of Mrs. Withers Davis, of Paris.

DEATHS.

TOOHEY

Little Frank Toohey, two years old, died Saturday morning at 10 o'clock at the residence of Mr. and Mrs. John Toohey, on the Hume and Bedford pike, after an illness of cholera infantum. The baby's father, Mr. Frank Toohey, died about two years ago at the same place. Mrs. Toohey lives in Cincinnati and came to visit her brother-in-law four weeks ago.

The funeral took place at the Catholic Church Sunday afternoon at 4 o'clock, conducted by Rev. Father O'Dwyer. Burial at the Catholic cemetery.

RASH.

Mrs. Margaret Rash, aged 60 years, died at St. Joseph's Hospital, in Lexington, Friday afternoon, about six o'clock, after a long illness.

Mrs. Rash was removed from her home near North Middletown several weeks ago to undergo treatment. Several days ago she developed a severe case of pneumonia and gradually grew weaker until death ended her sufferings.

Mrs. Rash was the widow of the late Mr. G. W. Rash, a well known farmer and stockman of the North Middletown neighborhood. Before her marriage to Mr. Rash she was Miss Margaret Arnold, of North Middletown.

She is survived by three daughters, Mrs. Thomas Morris, of Paris; Mrs. Gilbert Cook, of North Middletown, and Mrs. J. H. Kimbrough, of Lexington; and three sons, Messrs. Hedges, Bert and Magnus Rash, all of North Middletown. Mr. Rash was also the mother of Mr. E. F. Rash, who died in Lexington several weeks ago.

The funeral took place from the family residence at North Middletown, Sunday afternoon at three o'clock. Services by Eld. J. W. Ligon, assisted by Eld. L. H. Reynolds. Burial in the North Middletown cemetery.

Notice.

All customers not having settled their July accounts are respectfully requested to call and do so at once, Respectfully,
MISS JESSIE BROWN.

School Trustees Elected.

The election of trustees in the several educational districts in Bourbon county took place Saturday, which resulted in nine of the districts being supplied. Those elected were as follows:

Educational Division No. 1, Sub district 1—D. C. Lisle.

Educational Division No. 2, Sub district 5—Thomas Padgett.

Educational Division No. 3, Sub district 3—Horace Purdy, Sub district 6—Nicholas Rankin.

Educational Division No. 4, Sub district 3—Mrs. J. J. Ockerman.

Educational Division No. 5, Sub district 1—G. L. Rice; sub district 2—J. W. Turner.

Educational Division No. 6, Sub district 1—R. S. Darnaby; Sub district 2 J. T. Ingels.

The County Board of Education held a meeting at the office of Miss Mabel Robbins, in the court house yesterday, and selected Mr. Ora Collier as trustee from Division No. 1, Sub district 4; Mrs. Albert Mitchell, Sub district 1; W. E. Stillwell, Division No. 6 Sub district 3; F. P. White, Sub district 9. For these sub districts no elections were held.

The board ratified the contracts for the buildings at the Hill school, Clayville and North Middletown, and confirmed the sale of the school property in Clayville.

Owl Nest Organized Here.

Mr. Moses R. Glenn, State organizer of the Order of Owls, with the degree team of the Lexington Nest No. 1503, initiated a class into the secrets of Owlhood at the K. P. Hall in the Vardenden building Friday evening.

The class numbered sixty-seven and was one of the largest to be instituted into a nest in the history of the order in the State. The Lexington delegation which conducted the work was very efficient and performed the duties imposed upon it in an admirable fashion. At the conclusion of the initiation exercises the following officers were elected to serve during the ensuing year:

Past President—Wm. Kenney.
President—Pearce Paton.
Vice President—Dr. J. O. Marshall.
Invocator—W. E. Gentry.

Clay Retains Challenge Cup.

In the championship shoot for the challenge cup held at Winchester, Thursday, by the Kentucky Trap Shooters' League, Thomas Clay, of Paris, successfully defended the cup, winning over Charles B. Strother and Frank Bell, of Lexington. Clay broke ninety-seven, while Strother and Bell tied with ninety-six each. Others in the race close up were Ben D. Goff, Clark county, ninety-five; Vic Dodge, of Lexington, ninety-five; Cuth Stevens, of Mt. Sterling, ninety-two. Professional shooting were C. O. Leconte and Woolfolk Henderson, each of whom broke ninety-eight.

Cattle Shipped East.

Caywood & McClintock shipped Friday to the Eastern market eleven cars of cattle from Paris, among them being eighteen head of 1,250 pound cattle which were purchased by this firm from J. L. Jacoby of Hutchinson at \$7 per hundred.

The Occupations of Kings.

Thus Nero went up and down Greece and challenged the fiddlers at their trade. Aeporus, a Macedonian king, made lanterns; Haracutis, the king of Parthia, was a mole catcher, and Biantes, the Lydian, filed needles. —Jeremy Taylor.

Buys Partner's Interest.

Mr. Fletcher Mann, formerly of this city, closed a deal Friday, for the purchase of the interest of Mr. M. H. Beard, of the firm of Beard & Mann, in the Blue Grass Stock Yards in Lexington. Mr. Beard will retire and Mr. Mann will continue the business along the same lines as heretofore. By the terms of the deal Mr. Mann also acquires the real estate.

Protect your growing tobacco with Hail Insurance. THOMAS & WOODFORD.

Chin Vegetal.

Vegetable fibre, or chin vegetal, is made from leaves of a dwarf palm (Chamaerops humilis), which clings to the soil tenaciously. Its presence was a serious obstacle to the pioneers of Algerian colonization, and it had to be fought foot by foot. It was not then known that the plant would become a source of wealth to the colony and that it would be more and more sought as a commercial product.

Big Increase In Collections.

The collections of Internal Revenue for the seventh district during July, as given out Friday by Collector T. A. Field, amounted to \$255,515.63, as compared with a total of \$209,259.90 for the same month of 1911, an increase of \$46,255.73.

Splendid Bourbon County Farm.

Having decided to quit farming I am going to sell my farm of 226 acres at public auction on Thursday, Aug. 22, at 2 o'clock, on the premises. This is a splendid farm, situated in the center of the best farming district in the county, and will produce anything that can be grown in this climate. It is just four miles from the county seat, on one of the best pikes, in an excellent neighborhood and is a deal county home.

Positive sale.
TERMS—One-third cash, balance in one and two years, deferred payments secured by interest-bearing notes, and a lien retained on the farm until paid.

J. WALKER MUIR.
For further information address Harris & Speakes, Paris, Ky., who will take pleasure in showing the farm to prospective purchasers.
GEO. D. SPEAKES, Auctioneer.

Cooking Demonstration.

The Paris Gas & Electric Co. will give a demonstration of the Jewell Gas Range in the vacant store room adjoining Shire & Fithian's, on Monday, Tuesday and Wednesday, the 5th, 6th and 7th of this month, at which time Mr. Howard, special representative from Detroit Stove Works will be in charge of the demonstration. He will cook many things on these gas stoves, showing how to operate them economically and how to care for them. Every one is invited to come and they will be served with free lunch from 9 a. m. to 5 p. m.

There will also be given a demonstration Tuesday and Wednesday nights from 7 to 9, for the colored people, and every colored cook is urged to attend these demonstrations, that they may learn how to use the gas stove economically.

Everything cooked during this demonstration will be served to the guests present.

He will use Power Grocery Co. coffee and spices, Paris Milling Co. flour, and Bourbon Packing Co. meats.

We will also display the latest cooking devices and fans.

One \$15.00 water heater and five kitchen sets valued at \$3.45, will be given away. (1t)

Season For Doves In Kentucky.

The season for doves in Kentucky opened Thursday and local sportsmen are taking advantage of the open season. The Breezy Heights Club went out on the farm of Mr. Jesse Turney and a large amount of game was bagged. Other sportsmen report a large number of doves in this county, the number exceeding that of former years and the birds are in excellent condition.

In order that no one be mistaken as to the game laws, the periods during which it is lawful to shoot in Kentucky are here given:

Quail, Pheasant and Wild Turkey—November 15 to September 15.

Rabbit—November 15 to September 15.

Squirrel—November 15 to February 1.

Also June 15 to September 15.

Duck and Geese—August 15 to April 1.

Doves—August 1 to February 1.

Woodcock—June 20 to February 1.

Snipe—At all times.

It is unlawful to shoot any thrush, meadow lark, finch, martin swallow, woodpecker, red or bluebird, catbird, or any other song or insectivorous birds.

Their Proper Place.

The folks who are perpetually protesting that their consciences are clear and that they have nothing for which to reproach themselves are generally in a bad way, for the probability is that their much-vaunted consciences have stopped working and are of no further use. Such people never allow that they are in the wrong; their favorite sentence is, "I told you so!" and their proper place is on a desert island with thick-skinned turtles for boon companions.

Test of Nerve.

"Colonel," asked the beautiful girl, "when was the most trying moment of your life?" "It was when I went to my wife's father for the purpose of asking him to let me have her. He was very deaf, and I had to explain the matter before twenty clerks."

Vaudeville At The Grand.

The popularity of an enterprise depends upon approval of the public. The vaudeville at the Grand has met with the public approval, and, therefore, must be popular. How could it be otherwise, when nine out of ten of the theatre-going people nightly visit the Grand? They all leave with smiles and congratulate the management upon the classy shows they are now giving.

Last night's program, consisting of the usual two acts, was Billie Finnegan, Irish comedian and singer, and the Campbell players, presenting Little Helene, the wonderful child actress.

The two reels of pictures were of the latest. Both acts heartily applauded and the pictures well received. One show is given nightly at 8:15 o'clock.

CURIOUS BITS OF HISTORY

HOW ONE SHIP FOUGHT A WHOLE FLEET.

By A. W. MACY.

On August 31, 1591, a British fleet of six vessels lay quietly at anchor near the Azores. Suddenly, a great Spanish armada of 53 ships bore down upon them. Consternation seized the admiral, and he fled precipitately with his flagship, commanding the others to follow. They did so—all but one, the Revenge. Aboard that was grim Richard Glenville, the vice-admiral. He scorned to flee, and when the Spaniards called upon him to surrender he contemptuously refused. He had but 140 men fit for fighting, but he told the Spaniards he was going to cut through their line. Glaring round upon his crew, who feared him more than they did any enemy, he ordered them to attack the Spanish ships. For fifteen hours the battle raged, Glenville alternately cheering, storming, praying and devoting the Spaniards to perdition. He yielded only when less than twenty of his men could stand up to fight and he himself was mortally wounded. When it was all over the Spaniards figured out their losses thus: Two ships sunk, fifteen more or less damaged, more than 1,000 men killed and wounded, and by one little English ship.

Marking on Wood.

If any one in your home has a pyrograph outfit, use it for marking your boy's hockey sticks, baseball bats, tennis rackets and all such wooden things. Painted names can wear or be scratched off, but when burned in deeply the identification is there to stay.

Separating Honey.

To obtain strained honey, separating the honey from the wax as it comes to us in the frame, place the frame in a bowl in the oven, just warm enough to melt the honey and wax; then remove the frame and let the honey stand until cold, when the wax may be skimmed off the top without any trouble.

Between Girls.

"I haven't received a love letter from Jack in three days. I think it's a shame. I shall be positively ill unless I get a love letter by tomorrow." "Well, my dear," said the other girl, "if you need a love letter from Jack as badly as that, I have 40 or 50 I'll be glad to let you have."

DR. DOLLE'S MESSAGE TO MEN

DR. C. L. DOLLE.

Why Take Treatment That Is Doing You No Good, When a Few Days under the care of Dr. Dolle Will Show You How Easy It Is to Cure These Diseases When the Proper Treatment Is Administered.

Have you treated for months and years, and been disappointed until you think that you cannot be cured? You, no doubt, all this time have been treated by inexperienced doctors who had neither sufficient knowledge nor experience to know how to cure you.

These are the diseases of which I have cured so many, justly giving me the reputation for cures of which I am so proud.

Blood Diseases, Skin Diseases
I will give you treatment that will in a few days cure all rash, spots and every skin symptom. My treatment gets the poison out of the system instead of driving it in like ordinary treatments. I cure blood diseases and skin disease so they cannot come back.

Varicose Veins, causing aching or pain in groin or back, Nervousness, Weakness, Loss of Vitality, Lack of Ambition.

My one-treatment cure is what you should have and what you will have to be cured right. Only one visit is required. I do no cutting and you suffer no pain nor trouble. All signs disappear in a few days.

Nervous Troubles, Lost Vitality
My combined treatment for these troubles so common among those who have become weak and worn out, who have caused it by folly, dissipation and excesses, is remarkably good. No one believes how quickly it benefits until they have taken it. It overcomes weakness, nervousness, pain in back, lack of energy, ambition and strength—it's just the treatment I have found so effective in treating such diseases.

Kidney and Bladder Troubles
are scientifically cured by me. My methods immediately benefit you, and the majority of cases come from physicians and specialists who failed.

Piles, Fistulae—I can cure you so quickly and easily that you will be surprised. I will give you just the result and cure you are looking for without a surgical operation.

Acute Diseases—Itching, Burning, sore throat, sore eyes, etc. My treatment stops every symptom and cures in a few days. It is scientific—that's the only sure way to be cured so it will not come back.

You can take my Treatment without a cent and pay me after I cure you. I know that I can give you new life, new hope, and can restore you back to health and happiness. I know that every man will pay after I have eliminated every trace of disease from his system. Microscopic and analytical urinalysis FREE. I have written a book that ought to be in the hands of every suffering man in this country. I will send you a copy, free, if you will write me at once the disease for which you desire treatment.

Hours, 9 to 4; Sundays, 10 to 1 p. m. Evenings, 7 to 9. On Monday, Wednesday and Saturday nights.

VAST IMPROVEMENTS

PLANNED BY OFFICIALS OF STATE FAIR IN BUILDING EQUIPMENT.

New Grand Stand is Twice the Size of Old One and is Magnificent Structure.

With the greatest line of exhibits in the way of live stock as well as of all other products of which the state is famous, already guaranteed for the Kentucky State Fair this year, it is the prediction of those in charge of the arrangements that the exhibition to be held the week of September 9-14 inclusive, will be the biggest and best ever seen in the South or Middle West, and that it will mark an epoch in the history of agricultural and live stock exhibitions. Not since the Kentucky State Fair was inaugurated ten years ago has the same amount of interest been shown in the event as that being taken this year by the officials and the public spirited citizens throughout the State, insuring the greatest fair, from an artistic and display standpoint at least, in the history of the institution.

Chief among the improvements at the Fair Grounds this year, will be that of the enlarged grandstand which, when completed the latter part of August, will be twice the size of the stand that has been used to accommodate the crowds the past four years. The new addition to the stand will be of the same concrete construction as the part now standing and when completed the stand will have a seating capacity of five thousand people.

VAUDEVILLE SHOWS

OF HIGH GRADE WILL BE GIVEN AT STATE FAIR AT NIGHT.

Trained Stallions and Elephants Among Remarkable Evening Attractions September 9-14.

The big night show at the Kentucky State Fair this year will be the most elaborate ever prepared by the management of the institution. Believing that night patrons of the fair would rather witness high-class amusement than to spend their time in walking over the grounds in a vain effort to see many of the exhibits which naturally close at night, Secretary Dent has secured some of the most noted acts known to the show world, which will be seen in the magnificently lighted livestock pavilion each night, beginning at 8 o'clock. The management has gone to an expense of \$5,000 to guarantee this list of attractions, among which will be seen Herzog's performing stallions, six in number and jet black and regarded as the most famous animal act in the world. The five Merkel Sisters, noted female acrobats; The Okuras, Japanese wonders; The Whirling Erdfords, styled the "Human Butterflies;" Robinson's five performing elephants; The Eddy Family in two highly sensational acts; The Hengler Troupe of Russian Dogs, and other acts equally as high class. In addition to this high-class line of amusements visitors to the night show will also witness the best rings for light harness and saddle horses ever given in Kentucky. In addition to the \$1,000 stake for five-gaited saddlers other rich rings for all other classes, in both saddlers and harness horses, will be contested each night during the week. Because of the enormous expense to which the management has gone in preparing for the big night show feature of the fair it has been decided to charge an admission of twenty-five cents to the pavilion at night. This price will entitle the visitors to any seat in the big auditorium except the boxes. For this sum they will witness the most famous American and European acts now before the public.

MIDWAY ATTRACTIONS

Best in History of Fair—Nothing Offensive to Decency or of Freak Nature To Be Allowed.

The midway attractions to be featured at the State Fair this year will be far and above the average, as it is the purpose of the management to provide only the best for the patrons of the Kentucky institution. In order to carry out such an arrangement Secretary J. L. Dent will visit the shows two weeks before the date of the Kentucky State Fair, which is the week of September 9-14, and make a personal inspection with a view of eliminating any and all unattractive or freak features. The shows engaged for the fair are the Mazeppo and United Shows combined, and this name in itself is sufficient to guarantee a high-class and clean line of attractions, but to make it doubly sure Secretary Dent has planned the personal inspection to satisfy himself. It is the purpose of the management to provide such a line of side-shows that parents can let their children visit the shows, day and night, without the attendance of older members of the family.

In order to further carry out this feature of the program, the management has contracted with a number of well-known Kentuckians to be stationed both on the inside and outside of each of the midway attractions during the week to look after the welfare of the patrons, and to see that nothing is said or done that would in the least offend the eye or ear of any person within the inclosure.

POULTRY

INCUBATOR CROWDS OUT HEN

Poultrymen Who Are in the Business Commercially Cannot Get Along Without Machines.

(By R. HARRIS.)

Where not many years ago nine out of ten farms had never heard of an incubator, today the word is passing from farm to farm that the profits are larger, the work less onerous, the hatches more sure, and the hens are taking fewer holidays—laying more eggs. Not all on account of the incubators, but primarily on account of the incubator, and secondarily on account of the large amount of book knowledge distributed with it.

The farmer's wife is doing her share in the profit making. She always has done it, but now she is getting recognition as a partner in the business.

This is having—it has had—its effect, and the result is, farmers are now posted on poultry profits. They will continue to be posted, and those who have been operating incubators will go back to hen incubation only when they return to the old custom of treading out the grain with oxen—only when they are prepared to put the cream separator on the shelf.

Poultrymen who are in the business commercially—whose living depends upon the profits—would as soon think of threshing the grain with the old-time flail as they would of hatching chicks or ducklings with hens or ducks. The thought would be absurd. Without the incubator they would have to go out of business.

BROODER AND COOP COMBINED

Device Made From Old Wagon Box, With Waterproof Roof, Found to Be Excellent Shelter.

I have used all shapes and sizes of home-made jug-heated brooders and like best the one made from an old wagon box. All holes in sides and floor were patched up when making it, and a roof put over one end. This roof is so put on that it may be raised and

Brooder and Brood Coop Combined.

lowered, writes Mrs. O. M. Spencer of Van, Mo., in the Missouri Valley Farmer. It is waterproof, but gives free circulation of air. A partition put through the box makes the hover for three feet square, with two doors for chicks to run in and out. On damp or cold days and every night a lantern is kept burning in the hover, which has a cloth hanging from the top that bags down onto the backs of chicks. The light does not annoy them. Indeed chicks always seem to prefer to huddle in a cold light place rather than a warm dark one. The rest of the wagon box is covered with poultry netting to keep out the other chickens. On rainy days it is well to spread a canvas over the netting. Keep the young chick dry by all means, and keep his crop full. A chick fed all he wants from the time he is 36 hours old will never overeat. On cold or stormy days I feed and water the chicks in the run and shut them back in the hover till they get restless, then feed and water again.

HANDY FOUNTAIN FOR CHICKS

Mason Jar With Nick in Mouth, Turned Upside Down, Is Sanitary and Easy to Operate.

I am illustrating a very simple chick fountain that can be made up for a few cents, and which is simple to operate and perfectly sanitary,

A Handy Chick Fountain.

writes J. D. Alexander in the Farm and Orchard. We use a quart Mason jar with a nick in the mouth, turned upside down.

RATTLESNAKE KILLS THREE OF FAMILY

Two Children Fatally Bitten, Another Drowns While Mother Tries to Help Them.

THREE DIE SAME DAY

Reptile Coiled in Hen's Nest—Mother Hears the Fowl Squawk and Tells Boys to Run Her Out of the Box—In Confusion Baby Drowns.

Greenville, N. C.—Three children are dead as the result of a simple request of their mother to throw a hen off its nest, two dying from the effects of rattlesnake bites and the other being neglected long enough by the mother to fall into a tub of water and drown. The three children died the same day and were buried in the same grave. Only the father and mother of the family survive.

Mrs. George Adams, the mother, was in the yard doing some washing when a hen, sitting on a nearby nest, squawked. Mrs. Adams told the eldest of the three children, all of whom were playing in the yard, to throw the hen off its nest. The oldest boy, aged eight, thrust his hand into the nest without looking. He drew it out quickly, declaring that the hen had pecked him.

The next oldest boy, making fun of his brother for his timidity, ran his hand into the nest. He screamed almost immediately, saying that the hen bit him also.

The mother, alarmed, rushed to the nest and saw the snake coiled inside. Frantically she tried to do something to aid the two boys, whose hands

Thought the Hen Pecked Him.

were already swelling from the bite. The baby, one year old, was unnoticed in the excitement and crawled to the wash-tub. In another moment it had climbed into the tub, and when discovered was drowned.

HISTORY OF CURIOUS LEGEND

Stone Found Near Dundee, Scotland, Believed to Mark Spot Where Dragon Was Slain.

Dundee, Scotland.—A sculptured stone locally called the Martine, or Dragon's Stane, is supposed to mark the spot where in ancient days a fierce fight took place between a young man named Martin and a dragon, the latter being killed in the struggle, says a writer in the Strand. The scene of the encounter is located about six miles north of Dundee, near to the base of the Sidlaw Hill, and in the parish of Mains and Strathmartine. The legend is most interesting, and is as follows: A farmer in the district, who was blessed with nine lovely daughters, one day sent one of them to a neighboring well to fetch him a draught of water. As she did not return, another was sent to learn the cause of the delay. Neither of them returning, daughter after daughter was sent, until the whole nine had been dispatched. The father, becoming alarmed at the non-return of his daughters, then set off himself to learn the cause of their delay. On arriving at the spot, he was horrified at the spectacle which met his gaze. His nine daughters lay dead at the well and a large dragon was throwing its slimy folds around them. The reptile, on seeing the father, hissed loudly, and would have made short work of him also, had he not saved himself by flight. He, however, aroused the whole neighborhood, and the people turned out in a state of great fright. A young man, the sweetheart of one of the dead girls, boldly attacked the dragon, which took to flight, hotly pursued by the gallant youth. The dragon wriggled its way toward the hills, and was ultimately overtaken by the youth in a field near the Sidlaws, where he killed it outright. It is said that during the pursuit Martin was followed by a crowd of people, who in their excitement shouted simultaneously to him to "Strike, Martine!"

Couldn't Walk!

"I used to be troubled with a weakness peculiar to women," writes Mrs. Anna Jones, of Kenny, Ill. "For nearly a year, I could not walk, without holding my sides. I tried several different doctors, but I grew worse. Finally, our druggist advised Cardui for my complaint. I was so thin, my weight was 115. Now, I weigh 163, and I am never sick. I ride horseback as good as ever. I am in fine health at 52 years."

TAKE CARDUI The Woman's Tonic

We have thousands of such letters, and more are arriving daily. Such earnest testimony from those who have tried it, surely proves the great value of this vegetable, tonic medicine, for women.

Cardui relieves women's sufferings, and builds weak women up to health and strength. If you are a woman, give it a trial. It should help you, for it has helped a million others. It is made from pure, harmless, herb ingredients, which act promptly and surely on the womanly organs. It is a good tonic. Try it! Your druggist sells it.

FOLDING BED TRAPS FAMILY OF THREE

Police Respond to Cries for Help and Rescue Victims After Breaking Down Door.

New York.—Three persons were imprisoned in a folding bed early the other day while a policeman and several neighbors were breaking down the door leading into the apartment in which they lived on the second floor of the house at No. 680 Metropolitan avenue, Williamsburg. The victims are Alfred Eberhardt, a machinist, forty-six years of age; his wife, Mary, forty-one and their nine-months-old daughter, Josephine.

It was the first time Mr. and Mrs. Eberhardt had slept in the folding bed. Josephine slept in a crib nearby and

two other small children in another room.

Early in the morning Josephine had the colic and Mrs. Eberhardt reached out of bed for the infant. At the same time the bed folded, imprisoning Mr. and Mrs. Eberhardt. Mrs. Eberhardt was in the act of lifting the baby into bed and one of her arms, in which she held the little one, protruded from her side of the bed. The infant's feet were caught in the folding apparatus.

The cries for aid attracted all the neighbors and Policeman O'Connor of the Herbert street station. When they reached the door leading to the Eberhardt apartment they found it barred, but the cries of "Help! Help!" continued.

The policeman broke down the door and with the assistance of neighbors extricated the sufferers.

It was necessary to summon a doctor to dress the injuries of the parents and their infant daughter.

BRAVE BOY RESCUES A BABY

Dangling Head Down at End of Rope, He Rescues Two-Year-Old Tot.

Dothan, Ala.—Man's-size courage has won a college education and a Carnegie hero medal for eleven-year-old Henry Mathews of this city. Dangling head down at the end of a rope, thirty feet below the earth's surface, in a bored well only fifteen inches wide, he rescued Bennie Grant, a three-year-old who had fallen in.

When the cries of the baby came faintly to the surface as the well borers returned to work one afternoon, they realized his terrible predicament.

Hung by His Feet.

No man could be lowered in that fifteen-inch bore, no grappling hooks could be used without almost certainly killing as they rescued. To dig a hole big enough to admit a man meant living burial for the tiny victim, or suffocation before help could reach him.

Henry Mathews, a tailor's apprentice, volunteered to do the only thing possible. So they tied a stout rope to his feet and lowered him, head first, down the narrow hole. Twice they let him down and brought him up. Each time he tried, but failed, to grasp the baby. Then again he went down and the third time emerged with the baby grasped firmly in his hands. "Twan't nothin'," said Henry, when the men cheered and shook his hand. Then he went back to the tailor shop.

You Want the Best— Not the Cheapest

Flanders "20" Roadster, \$750

Don't be alarmed if somebody tells you you can buy an automobile for less money than the \$750 Studebaker-Flanders "20." You can, but you better not. The Flanders "20" corresponds point by point with the best and highest priced cars sold. Cheaper cars at every vital point are built on ideas long ago discarded for good cars. Don't take our word for it. Make comparisons and see.

The Studebaker-Flanders "20" is a marvel—a high grade modern car at a low price. If you pay less you buy much less. And the cheaper car today will cost you far more in the long run. The competing car isn't sold which the Studebaker Corporation, the greatest automobile manufacturers in the world, couldn't reproduce for less money; but we won't build a cheap car, because the name "Studebaker" means the best for your money.

If you are content with a car that runs today and dies tomorrow, don't buy the \$750 Flanders "20." It will wear for years. Remember this—the Studebaker-Flanders "20" will outwear 2 to 1 any other car under \$1100 and give you double satisfaction, confidence and comfort into the bargain.

MILLERSBURG ITEMS.

Mr. I. F. Chanslor, aged 68, died suddenly at his home on the Mayesville pike, one-half mile south of town, Saturday afternoon at 5:30 o'clock. Mr. Chanslor was apparently in good health and had attended to his farm duties all during the day. On Friday evening he ate a light supper and Saturday he complained of feeling badly. At noon, however, he ate a hearty dinner. In the afternoon his daughter, Miss Florence, came to town, going to the family physician, Dr. Huffman, procured medicine for him, which, however, was not to be taken until bedtime.

After Mr. Chanslor had done his evening farm work, he went to the house and as supper was not ready, lay down on the couch in his room. A little later one of his daughters went to him and found him heavily asleep. She made a slight unsuccessful attempt to arouse him, but failing to do so, was not particularly alarmed. A little later two of the daughters were seated on the veranda, he was there, as they thought, to sneeze, and one of them went to him and found him dead.

The family physician, Dr. Huffman, was hastily summoned. Mr. Chanslor has been subject to attacks of indigestion for several years, but recently these attacks were less frequent and his general condition was thought to be much improved.

He was a native of Mason county, and one of a large family, being born near Sardis. Early in life he was united in marriage to Miss Jane Rachael Reese and began life as a farmer near Shannon. For a time he was an extensive dealer in tobacco and hogs. In 1838 he sold his Mason county farm to Mr. H. D. Watson and purchased the Robert McClellan farm near Millersburg.

Since coming to Bourbon he has confined his attentions almost entirely to farming and gardening. He was the father of eight children, six daughters, Mesdames Frank Armstrong, Mayesville, Berry Bedford, Lexington, T. R. Wilson, Robertson Station, Misses Anna, Florence and Lillian Chanslor, at home two sons, Messrs. W. T. Chanslor, Little Rock, and I. F. Chanslor, Jr., Mayesville.

He united with the Methodist Church early in life, and while a resident of Mason County was an officer in the old Shannon church. His wife preceded him to the grave the latter part of August, 1911.

The funeral took place Monday afternoon at 4 o'clock from his late residence, Rev. W. A. Swift, of the Methodist Church, officiating, assisted by Dr. C. C. Fisher. The remains were taken this morning to Mayesville and from there to Shannon cemetery, where they were laid to rest by the side of those of his wife.

STOCK, CROP AND FARM NOTES.

—S. L. Gibbs, sold to Joseph Bales, of Madison county, for Swardchild & Sulzberger forty head of export cattle for September delivery at \$7.50 a hundred.

—James L. Gay & Son of Versailles, have sold their five-year-old chestnut show mare, Lula Logan, by Emerald Chief, to William Bush, of Michigan, for \$1,000.

—H. N. Rankin, of Carlisle, sold recently his large black team and a sorrel horse to a Robertson county party for \$250 each. These horses were 5 years old and very fine specimens.

—George C. Holloway, one of the best known farmers in Jessamine county, has lost within the last two weeks fifty pedigreed hogs as the result of vaccination to prevent cholera.

—The famous Helm farm near Elizabethtown has been sold for the consideration of \$5,900. The farm contains 1,063 acres. The Helm place was formerly the home of the late Gov. Helm and is well known all over the State.

—The following Kentucky fairs will be held this week: Taylorsville, beginning Tuesday, 4 days; Uniontown, Tuesday, 5 days; Winchester, Wednesday, 4 days; Danville, Wednesday, 3 days; Mt. Vernon, Wednesday, 3 days; Versailles, Wednesday, 3 days.

—Wheat in Mason county is thrashing out much better than was anticipated earlier in the season. Several farmers have reported as much as twenty-five bushels to the acre, while one has produced thirty-five bushels to the acre. The quality is always above the average.

—J. E. McClure, of Montgomery, recently sold to Henry Caywood, of North Middletown, a five year old gelding by Highland Gay, dam Fannie Mack 5733, by Bourbon Chief 976. Price \$200. Fannie Mack is the dam of a sensational 3 year old mare in the stable of Mr. Elmer Bailey, her sire being Golden King.

—The new owners of the Farmers' and Planters' Loose Leaf Tobacco Warehouse Company, of Mayesville, the Louisville Tobacco Warehouse Company, Wednesday, formally took over four-fifths of the capital stock and reorganized by electing officers and directors. The regular annual stockholders' meeting will be held in September.

—The Farmers' Union Mercantile Company, organized by the Farmers' Union of Nicholas county, has opened a large business house in Calise with Simon Kenton, of Nicholas, as manager. R. B. Brierly, of East Union, is president, and George M. Wilson, of Carlisle is secretary and treasurer. The company is capitalized at \$6,000 and is backed by more than 1,000 members of the Farmers' Union in that county.

—Commissioner of Agriculture Newman has determined this year to hold the farmers' institute only in the counties in which they are represented. He stated that in the past year \$15,000 had been spent in county institutes, in many instances the attendance being so small as not pay the expenses. Three lecturers will be in the field and lecture the farmers where they are invited.

—At the Capital Fair at Frankfort, McKee Bros., of Versailles, were very successful with their herd of Duroc Jersey hogs. They carried off all the first premiums with the exception of under six months boars and under year sows. In the latter class they were second. Geo. Clayton, formerly of Bourbon, is with Mr. McKee, and will have a bunch of the premium hogs at the Bourbon fair next month.

—Total receipts of live stock on the Chicago market for week of July 29 were, in round numbers, 30,800 cattle, 109,800 hogs and 114,600 sheep. The week's receipts, compared with the previous week, in round numbers, decreased 2,200 cattle, increased 12,700 hogs and increased 17,400 sheep. Compared with the corresponding period a year ago cattle decreased 29,600, hogs 11,000 and sheep 4,900.

—Monte Fox, of Boyle county, has recently shipped 5077 extra fine cattle to the New York market; the cattle were purchased at \$7 to \$8.50 a hundred; the best bunch of the lot was purchased from William Layson, of Millersburg, who had seventeen head that averaged 1,559 pounds, for which he paid \$8.25 a hundred pounds. The next best lot was purchased from V. P. Ferguson, also of Bourbon county. His cattle averaged 1,464 pounds. In this shipment there were eighty-one head, which averaged 1,440 pounds, which he purchased from C. P. Cecil, of Boyle county. They were bought at \$8 per hundred.

—Greater activity has been noticed among tobacco warehouse men during the past week in this State than ever before, and the indications point to Louisville warehouse men controlling the large warehouses in Kentucky. The two largest warehouses in Lexington have been taken over, the Independent Warehouse at Mayesville has been purchased, and option has been secured on the Frankfort Warehouse, and the Farmers' Loose Leaf Warehouse, in Carrollton, has been bought by the Louisville Tobacco Warehouse Company.

The report is that some of the warehouses will be closed, but little credence has been given such a report. The activity of the Louisville tobacco men does not discourage the Equity planters, for plans are now on foot to erect large warehouses in many, if not all, of the large tobacco centers in the burley district.

Garth Fund Beneficiaries.

The Garth Fund Commissioners, composed of Messrs. John T. Collins, of North Middletown, and Claude M. Thomas and Emmett M. Dickson, of Paris, submitted their report to the Fiscal Court, Thursday.

In their report the Commissioners state that they have carefully examined the old beneficiaries who applied for assistance from the fund, as well as a number of new applicants.

In commenting on the work accomplished by the applicants the report says that several of the boys have made excellent progress, while some are apparently not appreciative of the opportunity given them. The report states that these boys have been notified by the Commissioners that they must make commendable progress the coming year or they will not again be assisted.

The Commissioners state that in the future the number of beneficiaries will be reduced, and that larger amounts will be paid those who are worthy, and who appreciate the advantages extended to them. These boys will be chosen strictly by the grade attained upon examination, and by their reports from the schools attended during the previous year.

The report further states that in the opinion of the Commissioners, that of the entire number of applicants for the Garth Fund during each year, only eight or ten in the long run prove worthy, and they say that on that account the number of new applicants accepted annually should be reduced largely, and a larger sum of money appropriated to the hard working and worthy applicants.

The Commissioners selected twenty-three old beneficiaries for the coming year, appropriating the sum of \$1,685 for their use, while the new applicants number eleven, who were appropriated the sum of \$310, making a total of thirty-four young men being educated by the Garth Fund, entailing an expense in the sum of \$1,995.

The following is the list of beneficiaries, of the past year who have been continued for the coming year, and the new beneficiaries, together with the amount of money apportioned to each, as follows:

Worth of Clothes.

The influence of clothes must continue to be, as it has been from the beginning of history, either "sacred or profane," a foremost factor in those forces by which man's destiny is guided. His health and comfort, aims and purposes, social standing and business prosperity; everything indeed that makes his life worth living may be affected by it in directions never dreamed of by the tailor who, if he does not actually make the man, is largely instrumental in making him what he is.

Heavy Vote In State Primary.

Reports from nearly every precinct in Kentucky show a remarkably heavy vote in the first State-wide primary ever held in the State, Saturday.

In the Third district, where Congressman R. Y. Thomas is seeking reelection, with Thomas H. Rhea opposing him, the vote is so close that it will take a recount before the result is determined. Rhea is claiming the district by 200 majority, but the missing precincts may wipe out his short lead.

It was the first opportunity women had to take part in the elections, they being able to vote on school questions, but they did not come out in numbers, and the vote was much lighter than was anticipated.

In the first district A. W. Beckley received a majority of over 1,000 over his competitors for the Democratic Congressional nomination.

The Third is doubtful, and the Eighth, in which there was the only other real contest, gave Congressman Harvey Helm a vote of 4 to 1 over his opponent, Judge Jere Sullivan, for the nomination.

Congressman A. O. Stanley, in the First; Ben Johnson, in the Fourth; Swager Sherry, in the Fifth; A. B. Rouse, in the Sixth; W. J. Fields, in the Ninth, and B. V. Smith, in the Eleventh, were without opposition.

CURIOUS BITS OF HISTORY

A DUMPING GROUND FOR JAIL-BIRDS.

By A. W. MACY.

Prior to the revolution England used the American colonies as a dumping-ground for her undesirable citizens. It is estimated that between 1717 and 1775 not less than 50,000 convicts, of all kinds and of both sexes, were taken from the jails of Great Britain and Ireland and transported to the American colonies, where they were condemned to hard labor and hired out to the settlers. The Maryland colony suffered most from the affliction, 20,000 or more of the jail-birds being sent there. Some of them, however, had been convicted of slight offenses, and were easily transformed into good citizens of the new world.
